

Career Opportunities

IT'S TIME FOR A CHANGE

Is the lack of flexibility and independence stunting the growth of your business? Have you grown tired of pushing commission-based products? Do you lack the brand recognition and back office support needed to scale your business and maximize your potential?

THERE'S A BETTER SOLUTION

A company where you can take control of your own destiny and benefit from the flexibility and independence of an innovative investment advisory firm. There's The ETF Store.

Why The ETF Store?

- » **Strong Brand Recognition** – The ETF Store offers an innovative, approachable brand that clients can understand and feel comfortable with.
- » **Comprehensive Marketing Support** – Our unique marketing strategies drive qualified, motivated leads to support your growth. We help increase awareness through our weekly radio show, “*The ETF Store Show*”, as well as employing online and traditional advertising campaigns.

- » **Full Suite of Services** – We offer Portfolio Management, Retirement Plan Management, Financial Planning, and Insurance Products.
- » **Proprietary Investment Portfolios and Strategies** – We offer a full suite of proven, proprietary model portfolios and investment strategies in addition to our comprehensive ETF selection process.
- » **Extensive Investment Experience** – Our portfolios are managed by seasoned and respected professionals. They have experienced the ups and downs of many market cycles, and work diligently as a team to identify new opportunities.
- » **Outstanding Client Support** – Our primary custodians, TD Ameritrade and Charles Schwab, have both frequently been identified as providers of outstanding customer service and can assist with account openings, transfers, and everything else needed to make client transitions painless.
- » **Strong Back Office Support** – Our advisor support includes compliance, trade execution, reconciliation, billing and client reporting.

CHOOSE THE CAREER PATH THAT'S RIGHT FOR YOU

We offer several exciting career paths which allow you to select the business model that best fits with the level of support and independence you seek.

- » **Employee** – Build your business in a traditional office setting. Take advantage of the full support offered by The ETF Store to grow your book of business.
- » **Independent Contractor** – Build your business at your own pace, operating outside of The ETF Store office setting, but with the full support needed to grow your business.
- » **Franchisee** – Build an ETF Store business of your own. Operate your own RIA with corporate-level support from The ETF Store.
- » **Licensee/Affiliate** – Use The ETF Store as your investment advisory solution, but continue operating under the brand and business you've already built.
